## June 2019 News

---

### **We Need Your Help**

We look for locations where we can cook without the necessity of making reservations.

Anyone is welcome to suggest a site and invite others to join us there. We need locations for July, August, and October.

**Sites that we or others have used include:**

**State Beaches (Fees Charged)**

**City and County Parks (Often Free)**

Manning Park, Montecito  
Tucker's Grove, Santa Barbara  
Kenney Grove Park, Fillmore  
Lake Balboa, Encino, CA  
Sylvan Park, Redlands, CA

**County Regional Parks (Fees Charged)**

Glen Helen, San Bernardino Co.  
El Dorado Park, Long Beach  
Rancho Jurupa Park, Riverside Co.

### **Please Submit Recipes**

Send us your favorite Cast Iron recipes. We'll collect them and publish them in future editions of the California Dutch Oven Cookers News. For ease of editing please submit recipes in RTF or DOC format.

### **Effective Communication**

When sending a message, please identify who it is for. (i.e. To All or to a specific person)

Identify yourself. A message ending with "Sent from my i-Pad" doesn't tell who sent it.

Attachments should be in a widely readable format such as RTF, DOC, or PDF. DOCX is not readable by all.

### **June DOG**

**Saturday, June 22, 2019**

### **Rancho Jurupa Park**

At last year's Mountain DOG we had fair attendance on Saturday but little use of the Group Site that we had booked; the majority of our attendees were day users. This year we're staying on this side of the Mountain.

The Picnic Shelter that we're using is one that we used while planning the 2017 National DOG. We're including a map in the June News to help you find it.

It's Shelter #1 located below Picnic Lakes on the lower left hand corner of the Rancho Jurupa Park Aerial Map (use 200% magnification to help find it.)

Tent, RV sites, and Cabins are available for those who wish to camp for the weekend. Make reservations with the Park.

### **California Dutch Oven Cookers DOGs**

We need locations with plenty of parking and flat areas. Plus, it should have a restroom, fire pit, picnic tables, and shade trees.

Everyone please look at your local city parks; they're usually free of charge.

Please let us know what you discover.
